Small Business Endorses Larry Potts in House 81 Race

RALEIGH, September 16, 2016—The National Federation of Independent Business, North Carolina’s leading small-business association, has endorsed Larry Potts in the 81st District House race.

The endorsement comes from the NFIB North Carolina SAFE (Save America’s Free Enterprise) Trust, which is comprised exclusively of NFIB members.

“Larry Potts is the clear choice for small-business owners, their employees, and their families,” said Gregg Thompson, state director of NFIB.

“Larry Potts understands the challenges facing small businesses,” Thompson said. “Our members believe he will take a fiscally responsible approach to managing state government and support legislation that helps all small businesses grow and create jobs.”

The NFIB North Carolina SAFE Trust’s endorsement is critical to the Potts campaign. Small business owners and their employees vote in high numbers and are known for actively recruiting friends, family members and acquaintances to go to the polls. NFIB has pledged it will activate its grassroots network on behalf of the campaign. NFIB’s political support is based on the candidates’ positions and records on small business issues.
